### *Men's Study*

**Room 014 (Basement)- Daniel McKim**

Men are currently walking through the book of Judges together. Learn more about the history of Israel and how God speaks the same truths over our lives today.

### *Bible Study- Romans*

**Auditorium- Pastor Paul**

On Wednesday for our adults, you can come be a part of our ongoing Bible study and prayer time. We have a great time sharing what God has been doing in our lives, praying for one another, and hearing from the word of God. We are currently studying the book of Romans. It is amazing to see how God works in the lives of His children and to recognize the principles by which God moves in His world.

## *Jude*

### **Women's Study**

**Room 013 (Basement)-  
Tiffany Kendrick**

While often overlooked, the book of Jude remains as relevant today as the time it was written. God has commanded His beloved church to do the necessary work of contending for the faith in a world of unbelief, and as we do, He will keep us from falling into the same deception. In this study, dive into themes of being called, loved, and kept, and learn how to point others to Jesus in grace and truth. We serve others well when we share the whole gospel with them, not just the parts deemed attractive by our culture.
