SERMON NOTES

Pastor Paul McKim

“Finding Trust in the Darkness”

Isaiah 50:1-11

- I. Some days we walk in the darkness
 - A. Darkness can be desperate
 - B. There are different kinds of darkness
- II. It is there that we need a word
 - A. Hearing a word
 - B. Sharing a word
- III. Finding trust
 - A. How do we respond to the darkness?
 - B. God is trustworthy

Questions to ask yourself:

- Describe a dark season in your life where God has proven faithful.
- What are some things we can hold onto in the darkness?
- How do I grow in my trust of God?
- What is God saying to me today and what am I going to do about it?
