“The Brand New Day Tour”

September 20, 2017

Jefferson C-123 High School

The assembly tells the real life story of the decisions Todd Becker made that ultimately ended his life. Choice by choice and decision by decision, the message focuses not simply on the one night of drinking turned tragic, but more importantly, the seemingly innocent steps Todd took that led him into the grave all too early.

Based off the scripture Matthew 7:13, the assembly illustrates the two choices we are all faced with - the choice between the wide road or the narrow road: “The highway to destruction is wide and the road that leads to it is easy for the many who choose this way. But the gateway to life is small and the narrow road that leads to it is hard, but only a few ever choose this way.”
